Being the third largest school in L.A. district Roosevelt can boast of a student body that has **PRIDE, SPIRIT**, and a sense of **UNITY**.

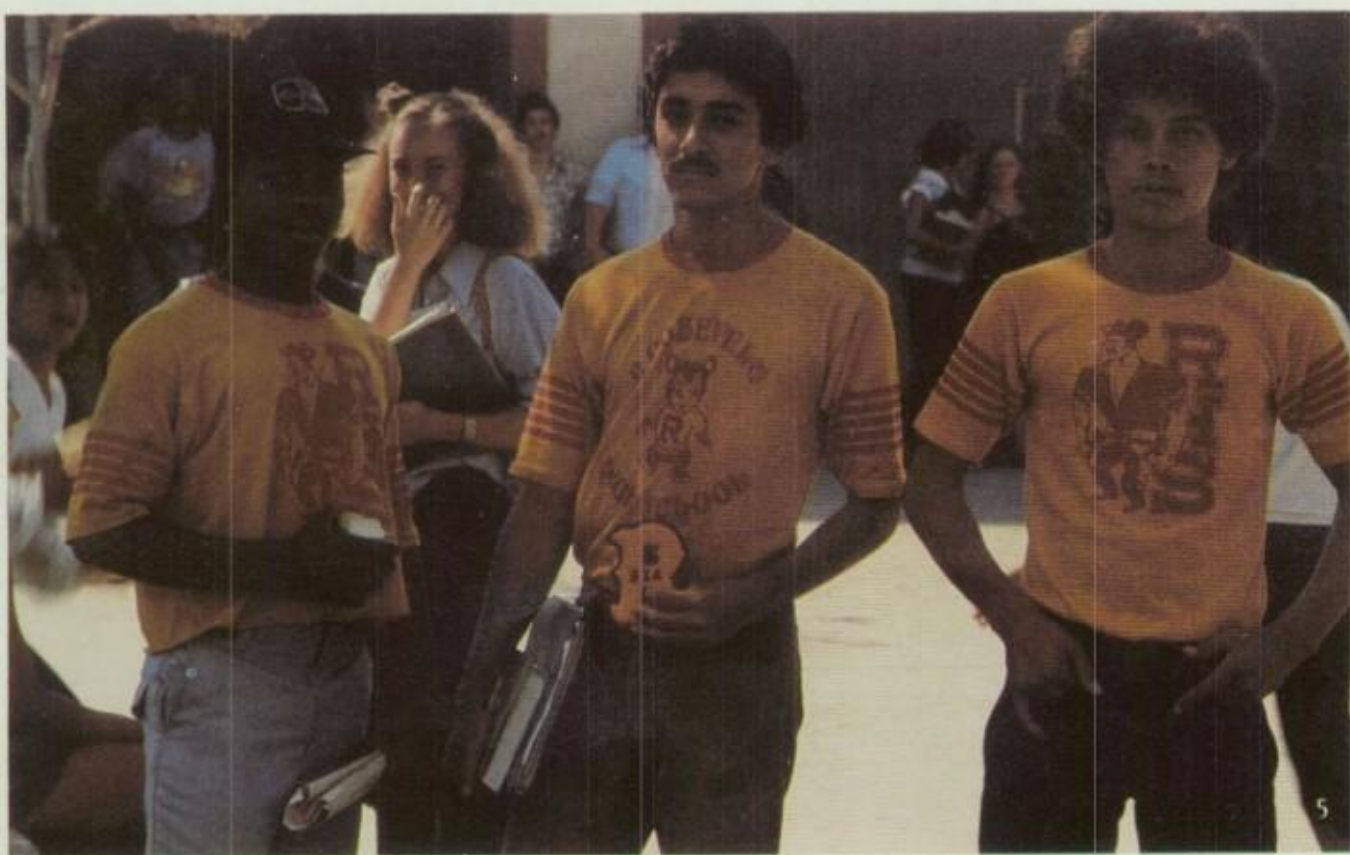

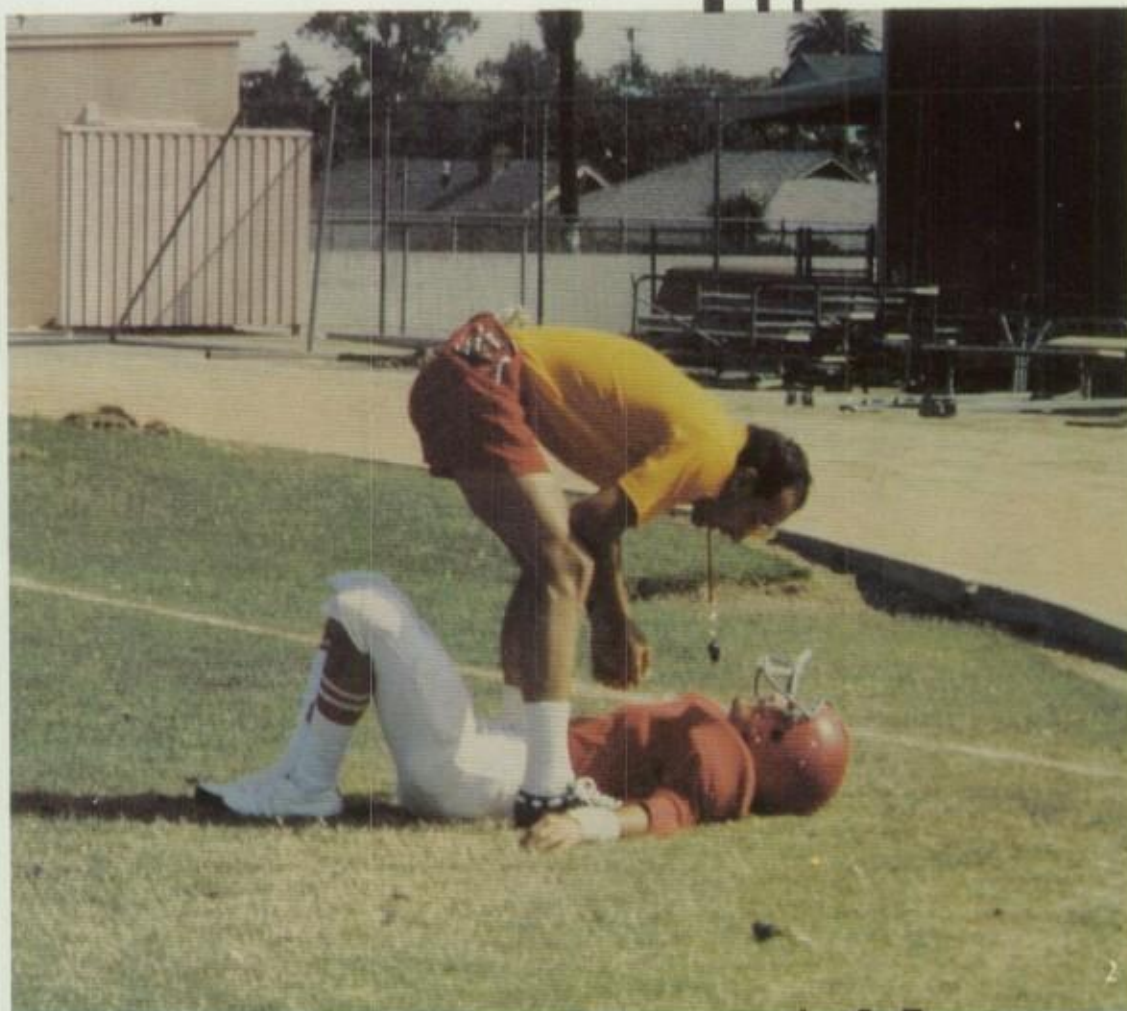

"Roosevelt isn't just a bunch of buildings; it's the people which make up the school, and Roosevelt has the best,"

"Our most unique quality is our students; their uniqueness, individuality and culture; languages, and life-styles, which add **SPIRIT** and excitement to the campus."

"Roosevelt has some kind of warmth that makes people feel at home, and the **UNITY** and closeness is one of the principal characteristics of our campus."

Ballet Folklórico de Roosevelt

Alma Meztisa de Roosevelt, that is the name synonymous with the best folklorico High School group in the L.A. City school.

How did it all happen? Ten years ago, in 1968, a teacher by the name of Verlinda Silva Clark helped her students find a folklorico teacher who would come in after school and help them form their own dance group. And before her assignment was over at Roosevelt, the effort had turned into accredited folklorico classes and one of the best dance groups around. She was followed by Miguel Delgado and Mrs. Claudia Baker. Together they created a group which became the pride of the community and school alike.

Presently the group is under the direction of Mrs. Gema Sandoval, and once again folklorico has taken on new dimensions. Under her direction, the students have become active participants in school projects, such as, Homecoming, Leadership, and Spirit week. Many of the students now teach folklorico in the surrounding Junior High and Elementary Schools.

Salute to THEODORE ROOSEVELT

For the first time ever Roosevelt had a Homecoming day held on Nov. 11. In the night there was a victory dance held at the International Press Club sponsored by Student Council.

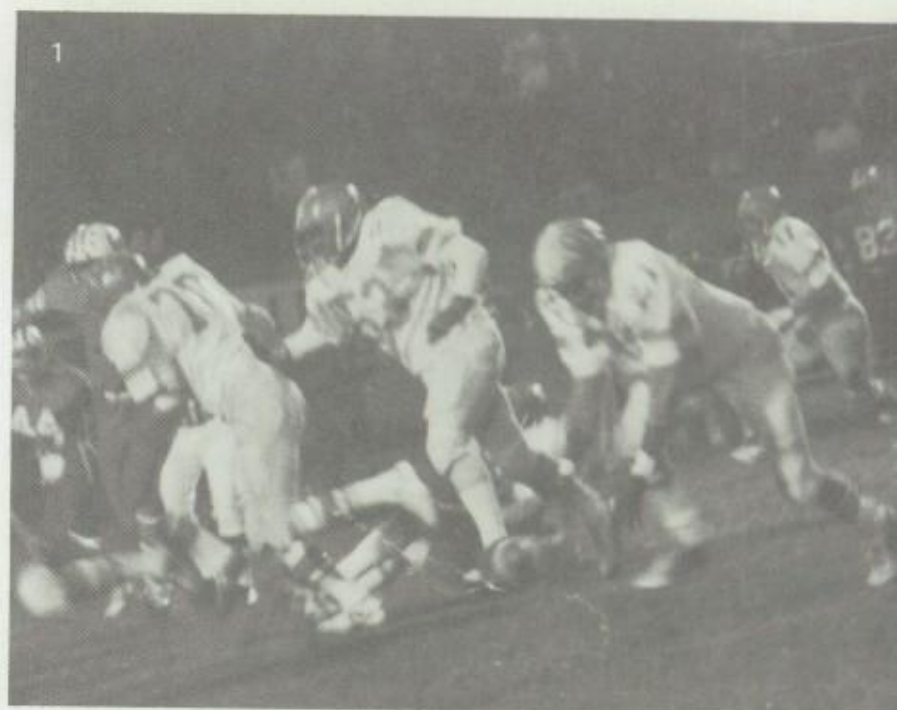

During the week, classes participated in Color Day. They decorated the hallways to the theme: "Salute to Theodore Roosevelt". The class of '80 won for the best array of color.

The pep rally was next in line, featuring Bees and Varsity players; the Royal Court was also introduced. All this set the tune for Friday's game against the crosstown rivals.

2. Sylvia pinning King Beto.

Named the East L.A. Classic since 1972 because of the highest record attendance for a High School game and of the long time rivalry between both schools dating back to the 20's. Coming to the game with a 3-1 record, the riders showed they could come back. The first 2 pts. of the game came when Alex Garcia (89) tackled Garfield's quarterback in the end zone, giving Roosevelt a safety. During the second quarter Reggie McNulty (21) scored a touchdown. Leaving for halftime with a 9-0 edge. Third quarter proved exciting as fullback Atrill Gillis scored the second and final touchdown ending the classic with the Riders on top 16-0.

STUDENT LIFE

Trick Or Treat

Senior class got into things by sponsoring a costume contest held during lunch in the Gazebo. There was clowns, witches, some cheerleaders, a few pumpkins; it just wouldn't be Halloween without cats. A prize of two tickets to Knotts Berry Farm was given to "Radar" for having the most original costume.

Winter Dreams

On Dec. 15, Boys and Girls League sponsored a Christmas Dance. Students who attended had a merry time. Couples got a chance to have their picture taken while Santa Claus dropped in to visit the dancing riders. Guest danced to the sounds of Genera and Festival. This year's Snowball King and Queen were Beto Mercado and Monica Martinez.

VASELINA . . .

Vaselina was a very successful play that was put on at R.H.S. in May. Before that on March 23, Vaselina was performed at Belvedere Jr. High School. The play consisted of students from Roosevelt, Garfield, Wilson, Belvedere, and some Roosevelt alumni who are now attending Cal State. It was very enjoyable and the dances were successfully directed and choreographed by Miss Leticia Cervantes, a Roosevelt graduate, and was helped by the drama teacher of Belvedere, Mr. Roger Graciani. The groups were formed by Miss Cervantes, who called back some of her dance alumni and joined them together to form "Vaselina". The stars of the show were Diana Estrada and Armando Davila, future RHS students, and were co-starred by Connie Cervantes, Steve Santillan, Carmen Cervantes (RHS students), and Joe Ruiz (RHS alumni). The group called the play "Vaselina" because they felt that since they were in a Mexican community, the play should have a Mexican title and have some Spanish lines.

Spring

Carnival

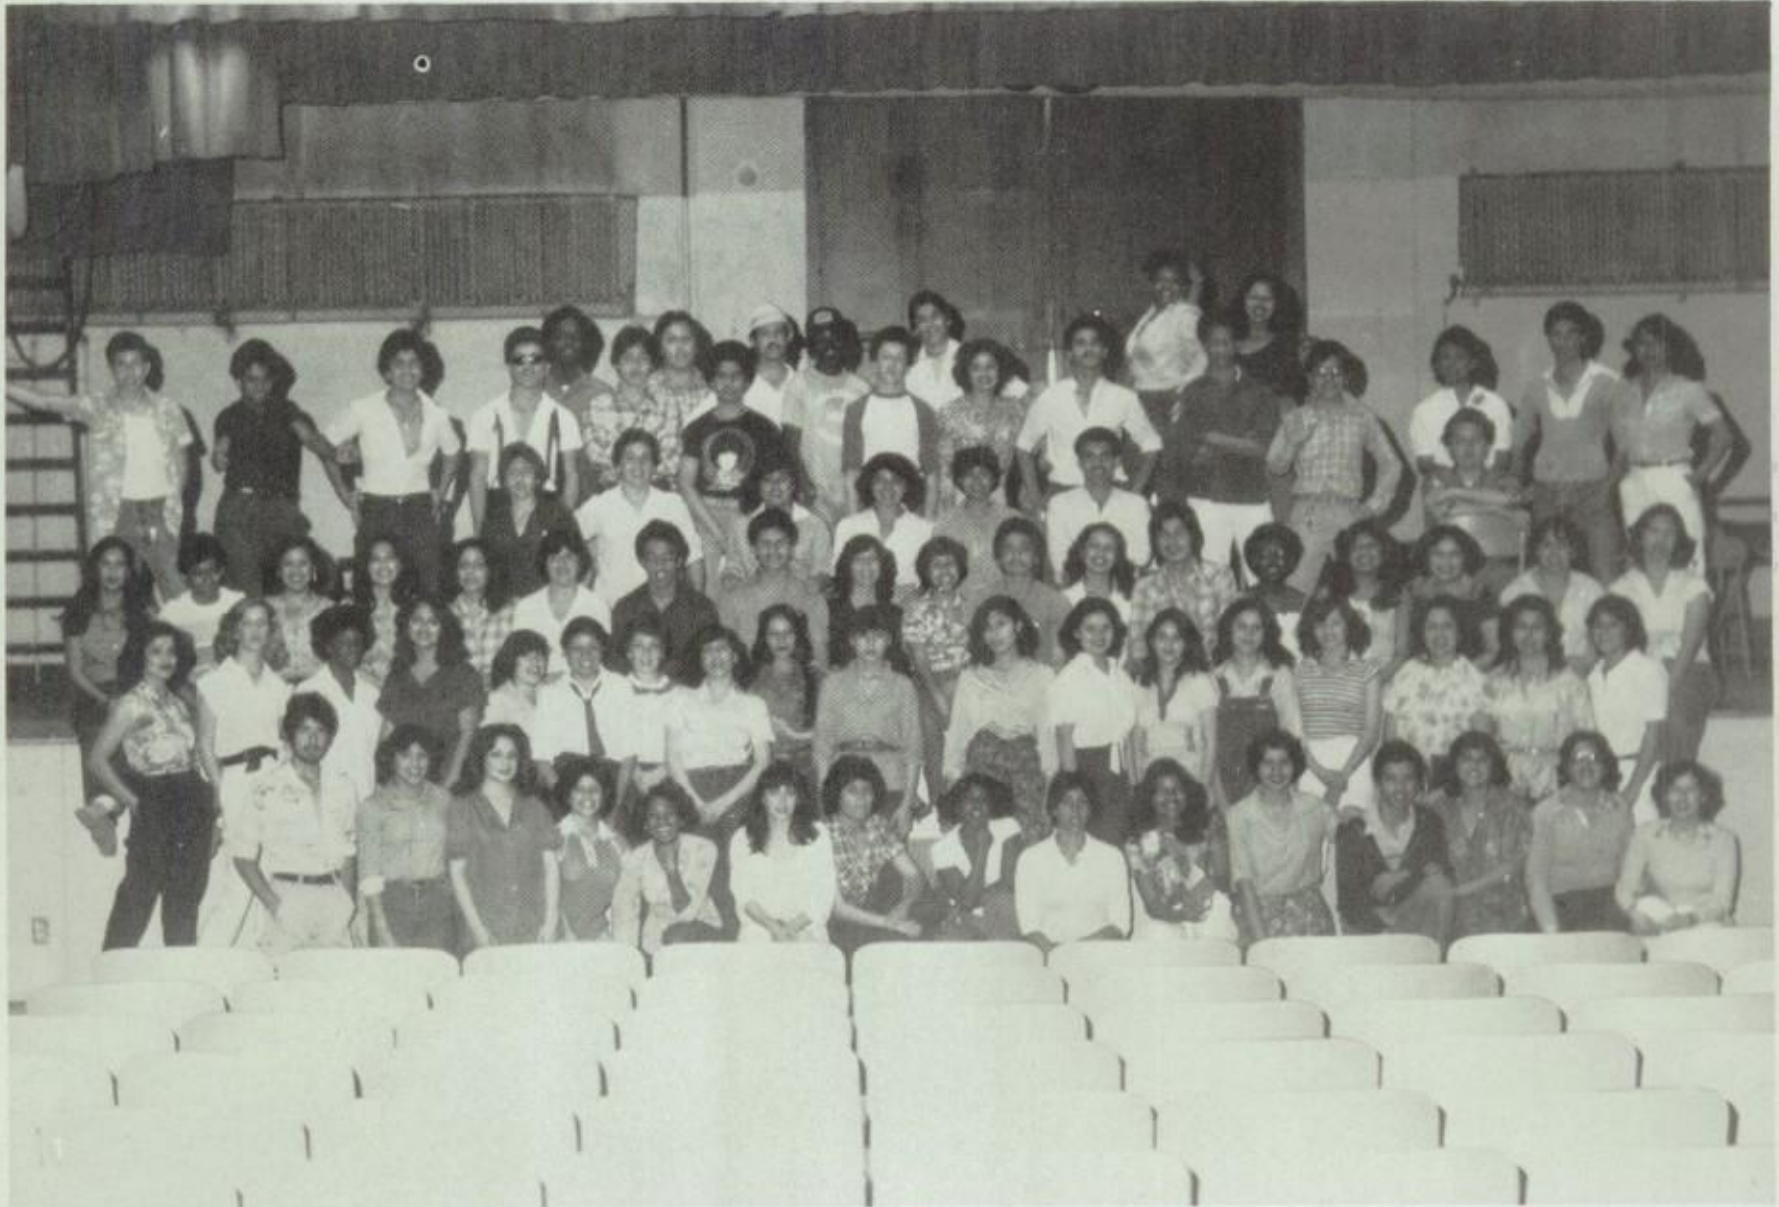

Roosevelt High School held its annual carnival which went through a small change. In the past it has been held in the winter; this year it was held in the spring, and it was just as big of a success. The carnival was on March 23, 24, and 25. There were many rides this year such as: Rock-o-Plane, Swinger, Sizzler, Paratroopers, Round Up, Glass House, Loop-o-Plane, Roller Coaster, and even a few rides for the kiddies. The booths were sponsored by community businesses and our Rider clubs. All clubs that participated equally recieved 20% profit. The carnival was highlighted by two dances: one held on Friday which featured "Jenaro" and the other on Saturday that featured "Disco Express." The carnival is also one of the major money making activities for the Student Body.

CHEAP

THRILLS

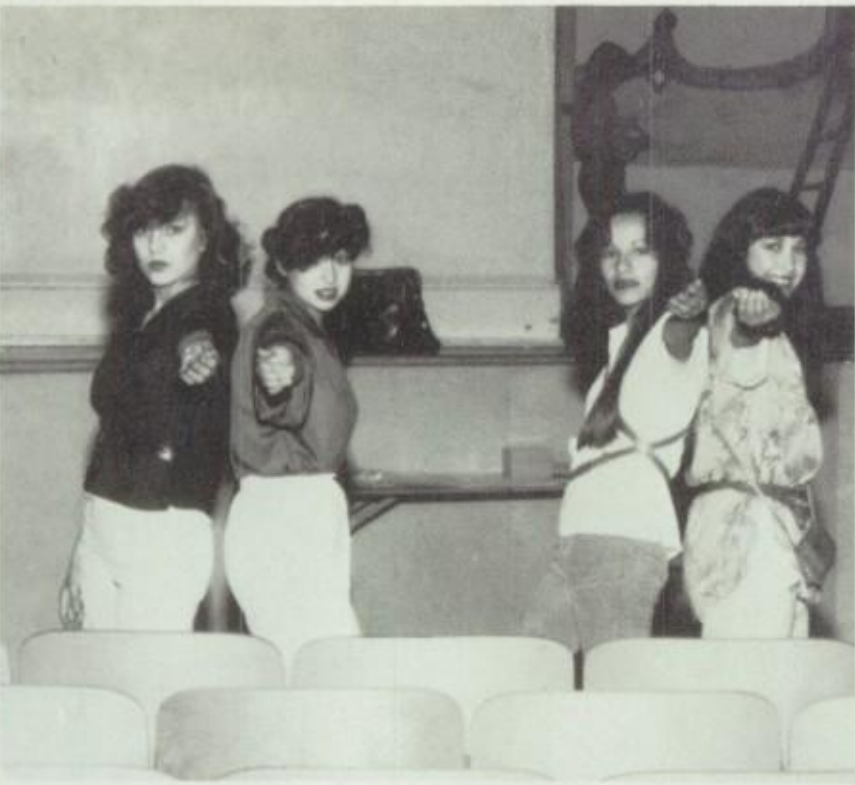

The Annual Roosevelt Student Body Talent Show, "Cheap Thrills", took the student body for a fun filled night of a humorous look at L.A. We saw L.A. through the eye of some dance and laughter! It was not what you'd call a "Cheap Show!"

Noon Dances this year seemed to be very popular, and a very good fund raiser for the clubs who sponsored them. Everybody was getting into the newest fad "Disco". They enjoyed doing all the new dances, some were from the 60's but just revised- Such dances were the "freak", "Jerk", "New York Hustle", and some weird creations, such as the: "Headache", "Pogo", and "Batman". If you went to the Noon Dances these dances were familiar to you. These Noon Dances will be something to remember, and something to look back on in the future.

Health Fair

Every year the Red Cross Medics organize a health fair in the quad in order to aid students to broaden their horizons on the dangers of drug abuse and other health problems and hazards.

This year, on December 7, various organizations set up information booths such as the March of Dimes, Red Cross Paramedics; many school clubs offered equally valuable health information. Through this Fair, we hope that the Roughriders will continue to use precaution and apply any new knowledge to their everyday lives.

Careers With Children

This special class is designed to acquaint students with opportunities and responsibilities of employment in early childhood education. It develops skills and knowledge necessary for employment as aides in children's centers, preschool, nursery schools, kindergarten and grades 1, 2, and 3. The course includes observation and participation in a preschool on the high school campus or in the neighborhood. Students will gain practical experience from on-the-job training in neighboring schools and centers. The course is also designed to familiarize students with the needs of exceptional children. The persons in charge of the ROP class is Mrs. Priestly.

Sports

Some of the most frequently attended events at Roosevelt are the Sports Nights sponsored by Youth Activities. Almost every other Friday, students come to Roosevelt to have fun. They have a choice of either playing games such as basketball, volleyball, pool, ping-pong, caroms, and checkers, or they can get down to the beat of KIMBO. Or they can play **and** dance. And when they get tired, they can rest with a **cool** glass of soda. To many kids, Sports Nights are an enjoyable way to end a school week.

THE DOGS EAT IT UP!

Of the twenty-three ambitious and determined teams, "Los Discos de la Noche" represented Roosevelt against Garfield, Wilson, and newcomer Lincoln at the 4th Annual Almost Anything Goes. The prelims started on Jan. 5th and ended Jan. 19th. Competition took place on the football field, but when weather was an obstacle, they took place in the boy's gym.

Finally the big day arrived when the four teams clashed to see who would walk off the field as the champs of the competition. "Ring Around The Collar" was the first event, which Garfield won, leaving Roosevelt in 2nd. The Roosevelt team won first place in "The Musical Tires in the Mud." This was the only first place for the Riders.

ANYTHING GOES

"The Inch Worm" wasn't such a lucky event for our team since we got last place. "The Gold Diggers" was a wet, but fun event as the girls in the team tried to blindly find the eggs in a pool of muddy water. Unfortunately, we tied in this event with Garfield . . . for last place. The final event was "The Relay Romp". At this point, Roosevelt, Garfield, and Wilson were tied and this event was to determine the winners of the games. Roosevelt got off to a great start, but had some trouble near the end and wound up in last place, thus concluding the games as Garfield took home the title of the Almost Anything Goes champions.

Banquets

Banquets show the achievement of an organization or team. There were many this year, where everyone had fun, food, and looked forward to seeing who were the ones that would receive awards. Team banquets showed the ending of a season and its achievements and the new representatives for the next semester.

STUDENT

FALL

From September to January the Fall Student Council worked very hard for the student body of Roosevelt High School.

The 16th of November, the Student Council Class made a big success out of Homecoming Day not to mention the excitement of Homecoming Week. During this time a homecoming king, queen, and court were voted on by the Roosevelt High School Student Body. On homecoming night (Nov. 16) there was a dance at the International Club ballroom honoring the new homecoming court. The homecoming court was again introduced at the Roosevelt-Garfield game.

Another very successful activity that was sponsored this fall by the student council class was the Almost Anything Goes. Many people showed up from the fun of the semi-finals to the excitement of the championship games between Roosevelt, Garfield, Wilson and the new addition of Lincoln High School.

The Roosevelt High School Fall Student Council exchanged with other student councils from other high schools in area 6 and L.A. City Schools to discuss student council affairs and our fall student body president, Lupe Nolasco was elected first vice chairperson of citywide student affair councils. The fall student council made many things happen for Roosevelt High School and we appreciate it.

COUNCIL

S P R I N G

From January to June the Spring Student Council class worked very hard and really made things happen for the Student Body of R.H.S. This year the Spring Student Council brought back the "House of Representatives". Every homeroom chose persons to represent them in the House of Representatives meetings. The Student Council did the writing of the new constitution of Roosevelt High School. The Student Council also sponsored a variety of assemblies and had international week at R.H.S. A very succesful event that took place this spring on the 23rd 24th 25th of March was the R.H.S. Yearly Carnival sponsored by the Student Council. The carnival featured different booths organized by some clubs and classes. It had rides, games, food and fun. Everyone seemed to have enjoyed themselves. The Cinco de Mayo was also a good day for the student Council to make things happen, and they sure did. We want them to know they're G-r-e-e-a-at!

ROUGH RIDER

DON'T FLINCH; DON'T FOUL; HIT THE LINE HARD

The 1978-1979 Rough Rider Staff went through many degrees of changes. Mrs. Pat Rodriguez was the advisor the the beginning of the first semester, but the second issue of the newspaper saw a new advisor, Mr. Gregg Heacock. Before his arrival at Roosevelt, he had been an editor for the **Pasadena Eagle**, a minority newspaper. The Rough Rider Staff was blessed with his talent. His arrival brought more pages to the newspaper with more feature sections.

The first semester saw eight returning staff members out of thirteen with Javier Orozco Editor-in-chief. The second semester saw only four returning staff members out of fifteen with Rene Santiago, a member since his 10th grade year, as Editor-in-chief.

Sales, Sales, Sales . . .

Sales were a weekly part of the Roosevelt campus. It never failed, there was always a sale on sometime during the week. Churros, baked goods, candy apples, snow cones, tamales, you name it, somebody has probably sold it. These sales were both good for the organizations that sponsored them and for the people that bought them. Sales have always been around and always will be as long as there are Rough Riders to sponsor them and support them. That's the spirit of Roosevelt!

ATHLETICS

Rough For Riders

Favored to win Eastern League title the '78 Rough Riders proved to be a disappointment to the coaches. Starting off its pre-season league against a strong Kennedy High School team, was a taste of things to come with the Cougars upsetting the Riders 27-6.

The next two games had a turn for the better as the Riders rode over the Warriors 14-0 and the Marshall Barristers 13-0.

The Riders minus 10 starting players, due to disciplinary reasons, lost against the Dorsey Dons, 38-7. After the disappointing incident the Rough Riders seemed to have lost their poise, as players were transferred and others dropped from the team. The league opener against Bell proved to be upsetting as the Riders failed to score on two solid opportunities deep in Bell's territory falling to the Eagles 7-6.

With star middle linebacker, Atrill Gillis, sidelined due to a neck injury, the Riders suffered a second loss to the Rams 24-19. Jordan who did not allow any points to their opponents until the City Finals, shut out the Riders 31-0, disappointing the Riders out of a playoff date.

The Riders had a turn about as they ran over H.P. with a score of 29-8. Their last and most important game was against their cross-town rivals, the Garfield Bulldogs, which was an exciting and emotional game. The Riders led in the first half 9-0; second half was much more interesting as the Riders scored another touchdown ending the season with a 16-0 shutout.

Roosevelt failed to go to the play-offs for the first time in four seasons. Nine of Roosevelt's players made the Eastern League list and All-City list. Players for Eastern League 1st team; Reggie McNulty (RB), Atrill Gillis (DLB), also All-City 2nd team; Russell Nomura (DLB), Raymond Marquez (DB), Angel Fonseca (QB), Gary Hearn (OE), Ignacio Rodriguez (OL). All-City; Atrill Gillis and Reggie McNulty.

Spirit To Win

The JV Football Team suffered a great deal when ten of their best players were transferred to the Varsity Football team; even though they lost their best players, the J.V. football team still had enough spirit to win two games. At the end of the season the J.V. team had won two games, and lost two games. Four of their games were cancelled. What future does the J.V. team have? Only time will tell. Good luck to the J.V. football team next season.

We Are The Champions!!

The Riders opened the pre-season with a narrow victory over the Kennedy Cougars, 7-6. University High was defeated as the Riders rode over the Spartans, 33-13. The loss to Marshall, 7-13, was the only off-season loss for hard-hitting Roosevelt. The close of the pre-season ended victoriously as our Bee's dumped the Dorsey Dons, 6-0, in a tough game.

The first game of the season was a good one as Bell blundered the ball and gave our team their first league win with a score of 21-13. The South Gate game was one of the team's best performances. Roosevelt managed to handle the ball well as they chalked up another victory ending the game in a 7-0 score.

A 13-0 score against Jordan was the Riders first league loss. At the Huntington Park game, Roosevelt had several chances to score, but failed to do so as the game ended in a 0-0 tie.

Finally, it was time for the game everyone waited for; the 8th Annual E.L.A. Classic. The bumbling Bulldogs clumsily stumbled around the field as the mighty Riders shutout the Bulldogs, 14-0, thus ending the season with an impressive 3-1-1 league record- good enough to claim the Eastern League title, along with H.P. Their overall record was 6-2-1.

Sad Times

The Girl's Junior Varsity Volleyball Team had a sad season, winning only two games all year.

The girls lost to Lincoln, Franklin, Wilson, and Eagle Rock in roth rounds, and defeated only Garfield.

Though the losing streak was disappointing, the girls stood together as a team. They're optimistic about the next season, and hope it will be a good one.

Outstanding players for the season were Lydia Loera and Anna Barillas.

League Champs

The Girl's Varsity Volleyball team had an exciting season this year, taking first in the Eastern League, with a record of 8-2.

They started the season's first round, defeating Lincoln, Franklin, Wilson, and Eagle Rock. They lost only to Garfield. In the second round, Roosevelt smashed Franklin, Garfield, Wilson, and Eagle Rock. Lincoln, luck turning to their side, won this second match.

In the city semi-finals, the varsity won third place, though actually they had tied for second (the number system put them into third.) The score was 7-3.

With teamwork, and the goal toward success, the team did an excellent job this season. Outstanding players for the season were, Gail Waide and Brenda Koga. We would like to spread our congratulations to them for their achievement.

Up And Down Season

The Boys' Varsity Basketball Team had a rough season, but through it all they never gave up. In the First Round, they lost their first two games against Bell and South Gate. Then they came up against Jordan, league champs, hoping to put up a good fight, but were destroyed on the opponents court. After that the Riders got moving, beating H.P. and slaughtering Garfield. The Second Round showed much more improvement, especially in the Jordan game where the gap was closed from 71 points to only 25. They ended the season by beating H.P. and killing Garfield (again). The team survived with a season record of 4-6 and placed fourth in Eastern League competition, leaving Garfield in the cellar. This enabled them to enter into the City-Playoffs, only to lose to Fairfax who went on to become this years city-champs. This season the Boys' Varsity Basketball Team showed a lot of determination. This determination, along with the coaching of David Perea, will help the Riders to improve next year.

Girls Take 2nd

This year the Girl's Junior Varsity Basketball Team saw much improvement. They ended the season with a record of 5-3, second place in Eastern League.

They had a better defense and more enthusiasm compared to last year. Coach Barbara Colwell commented, "There were a lot of new players. The team went through learning fundamentals and strategy." She also feels the team did well, despite the fact that they were going through a lot of problems.

A strong defense maintained by the JV's attributed to most of their victories. Gloria Martinez, a senior, and Cathy Smith, a junior, were the leading scorers and rebounders.

Experience Wins The Hard Way

Experience the hard way, that was the way the J.V. basketball team handled the past season.

The team started their season on the wrong foot, by losing against Bell High School with a score of 38 to 65. The second game was a little better, but ended with the same results with the riders losing 61 to 79 against South Gate.

The team continued improving and they showed greater effort against the league champs, Jordan. The Bull Dogs proved to be a little to much for the J.V. Riders, which resulted in them losing with a score of 65 to 76.

When H.P. visited Roosevelt the team scored their first victory, winning the game in the last seconds 66 to 65. When the Riders visited Garfield, the team received another defeat 36 to 53. The second round proved better for the Riders, who showed more experience in their playing techniques. With more experience the Riders defeated South Gate. The last game proved to be the most exciting game of the season. Where the Riders showed more class and spirit by defeating the Garfield Bulldogs 55 to 52.

Bee Basketball

The 1978-79 Rider Bee Basketball Team with the coaching of Andrew Berokoff finished up the season with a successful 7-3 League record. This enabled them to share the title of Eastern League Champs with Bell High School, although the Riders beat them in both of their meetings. The returning of Edwin Ragay, and many other promising players was probably the main key to their success. Congratulations to our Bee Basketball Team.

Manny Calderon, Gary Haven, Ernie Garcia, and Manuel Mejia all played well, but Jeff Tom was the player who carried the team in many of the games.

1978 was the first time in four years that the Boys' Varsity Cross Country Team didn't win the Eastern League Title. But they had a successful season with a score of 4-2-1. They started off by losing to Carson, but that didn't stop them from having four straight wins against Lincoln, Bell, S.G., and Jordan. But H.P. stopped their winning streak by beating them. Garfield, though, wasn't able to beat the Riders and had to settle for a tie. At the league meet, the best time for Roosevelt was 16:55 by Robert Sandoval. Others were 17:08 by Louis Ybarra, 17:15 by Fernie Michel, 17:18 by Martin Salgado, 17:44 by Gilbert Flores, 17:51 by Rafael Vega, 17:55 by Richard Torres, and 18:17 by Johnny Ortiz. Last year the Varsity Tennis team ended the season with a record of 9 to 1 clinching Eastern League title. This was Roosevelt's first tennis title and the year that 6 players were selected All League and 3 players finished undefeated.

The team suffered the graduation of 6 players. But with new talent moving up the team has a very good chance to win the title this year. The team is made up of 6 Seniors, 2 Juniors and one sophomore.

Varsity Swim Team Has Wet Season

This year's Varsity Swimming team didn't have a very good season. They were good as individuals, but they didn't have enough members in the team to make them strong enough to beat the other teams. Even though they had a bad season, they worked hard as most Rough Riders do. The returning Varsity players were: Ernest Mulvey, Richard Garcia, and Danny Alvarado.

The 10th grade team seemed to be a stronger team as a whole than the Varsity. More members on the team made it possible for the 10th graders to be stronger. The 10th grade team as a whole were the most improved. Varsity A Smash Hit

This year's team started off the season on a winning streak. This was due to the strong pitching of Angel Fonseca and Fernie Pena. The club had sound fundamental skill in fielding. Special contributions were made by William Ortiz, and Arturo Marin who we suspect will make a great contribution to our baseball program since they are both eleventh graders. Overall, our team showed Rider pride and hustle.

Notable Season

This season, Roosevelt's Soccer was notable for three reasons: 1) The return of Coach Jose Luis Lopez, who took Roosevelt to it's first city championship two seasons ago. 2) This is the first time that Roosevelt's team had a female player- Carmen Rodriguez, a tenth grader, and 3) because our team did not make it to the play-offs for the first time ever.

According to Coach Lopez, it is hoped that next year's team will be better because it will be more experienced. Next year's team will be minus only three players, who will be graduating: Wille Garcia, Jaime Alcantar, and Ruben Castrejon.

SKANCE

This year the most popular events that most people went to were skances. What's a skance? A skance is a night where everyone rollerskates half the night and dances the other half. The skances, which were held at the Great Skate, drew large crowds and supplemented funds for the organizations that sponsored them. The Junior Class Skance, The Area G Skance, and The Farewell To Seiors Skance are to name a few.

On their skates, everybody boogied to the fast beat of disco and cooled down in couples to mellow music. The skances proved to be a great time for getting together, having fun with friends, and meeting new people.

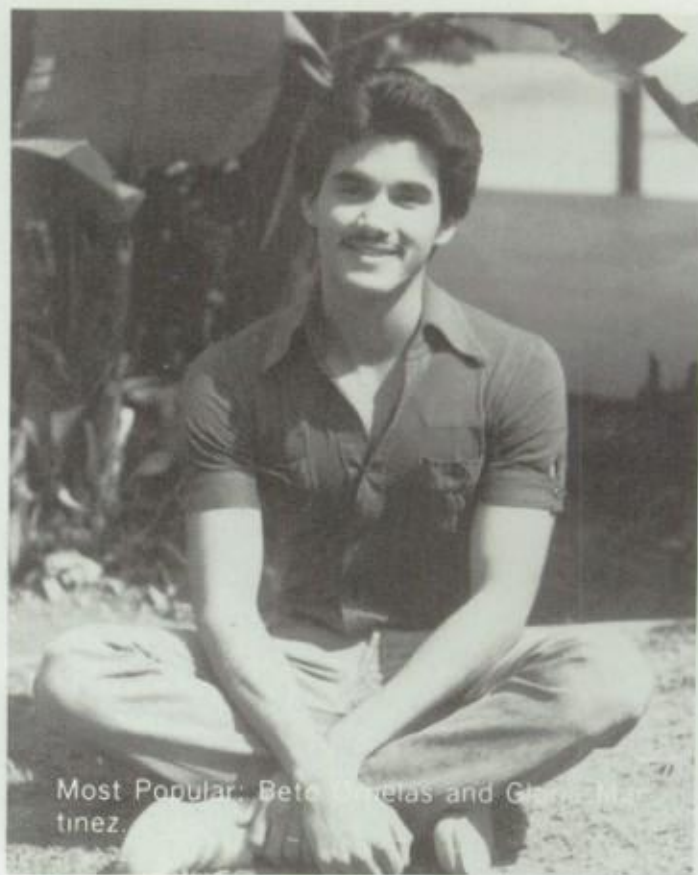

Friendliest; Vernon Williams and Janice Franklin.

Biggest Flirts; Lucia Silva and David Santamaria.

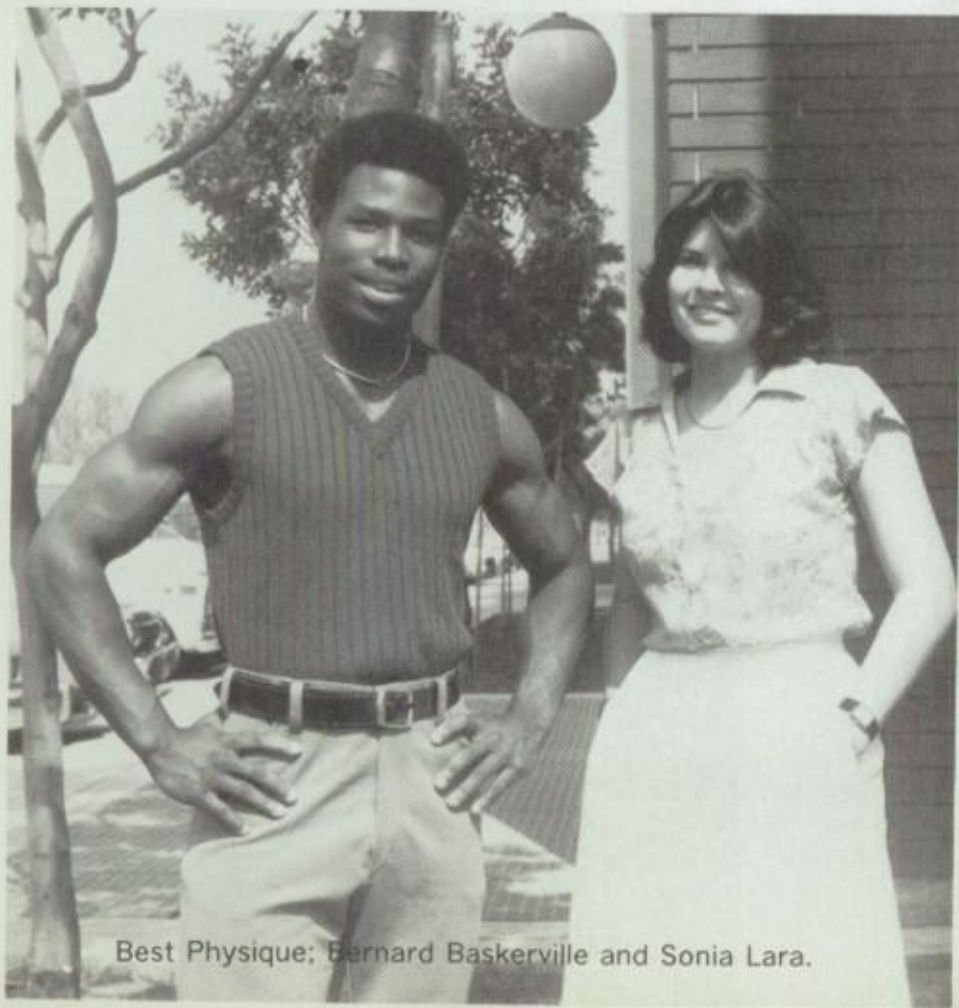

Most Popular; Beto Velasquez and Gloria Martinez.

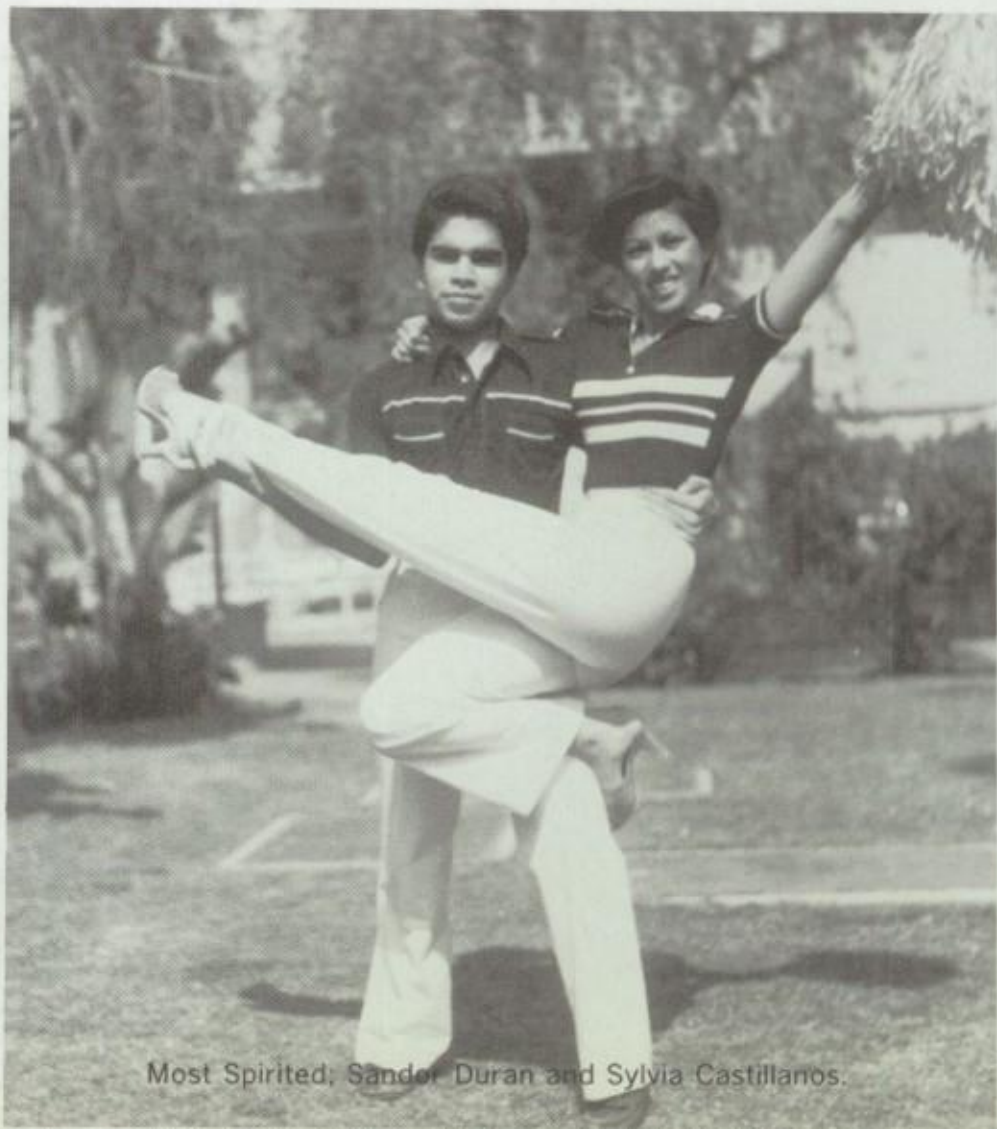

Most Athletic; Gail Wade and Angel Rodriguez.

Senior

Poll

Best Physique; Bernard Baskerville and Sonia Lara.

Most Spirited; Sander Duran and Sylvia Castellanos.

Most Likely to Succeed: Donald Shiba and Kathy Naruko

Class Busy Body: Robert Nakahiro and Joanne Carrillo

Class Artist: Regina Zunaya and George Martinez

Best Personality: Richard Garcia and Esther Vasquez

Class Clown: Anna Hultman and Jose Vasquez

Cutest Smile: Art Avila and Connie Quezada

Every year many seniors are elected by their class in many different categories such as: Most Athletic, Most Popular, Most Likely to Succeed, Biggest Flirts, Best Personality, Friendliest, Class Clown, Class Busy Body, Class Artist, Most Spirited, and Cutest Smile. Congratulations to the seniors who achieved recognition during their 3 years at Roosevelt.

A Night To Remember

Prom Night

Many seniors experienced a gala evening June 1st at the elegant Beverly Wilshire. Starting off with a superb dinner; afterwards, students had the chance to boogie down to Sophistifunk and Disco Magic. The night ended a little after midnight. A grand time was had by all those who attended.

1. Entering the Beverly Wilshire are couples Jo, Sylvia; Augie, Carmen.
2. David and Irma solo dancing.
3. Everybody getting down to the beat.
4. Carmen and Augie go off to a corner alone.
5. Couples take 5
6. Sharing a romantic moment.
7. Augie explains it to the boys.
8. Danny enjoys dancing with Lucia.

Senior Officers

The Pretorians, a name which means "Leaders", have had a very active year. Under the guidance of President Joanne Carrillo, Vice-President Robert Nakahiro, and Secretary-Treasurer Yolanda Velasquez, the Senior Class has had several noon dances, a Skance and a candy sale. The major activities were at the end of our year. The Prom was held on June 1st at the Beverly Wilshire Hotel. Graduation was held on June 14 at the Shrine Auditorium. Grad Night was held on June 15 at Disneyland.

The Pretorian Class colors are royal blue and white. The class motto is: "Knowledge can be the key to success or the ending of dreams; but together with new dreams, the future will be ours."

The sponsors for the Class of 1979 have been Miss C. Augustine and Mr. A. Perez. The Senior advisor is Mr. R. Kendricks.

JUNIORS

This year has been very successful for the Junior Class of 1980, now known as Les Victorieux (The Victorious Ones). They started the year with a very successful carwash and a great Halloween dance, which filled their funds. These were followed by bake sales, noon dances, more carwashes, pin sales, and a number of other events. With their new class colors, burgundy and beige, they were able to represent themselves in sweaters and cardigans. The Junior Class was able to accomplish a lot this year, due to their hard work, pressure from their sponsor, Mr. Siller, and their unity as a class.

Though the Sophomore Class began their first year with a late start, they gained confidence and got into the spirit of fund raising. The activities sponsored by the Class of 81 began with a carwash, followed by a Homecoming corsage sale. Other activities included bake sales, noon dances, and even a dating game. All in all, the Sophomore Class through their efforts contributed their Spirit and Pride for a better future at Roosevelt High School.

As always, this years ESL Class was full of fun and spirit. Their first activity was the ESL Orientation where the class officers were introduced. There was also entertainment in the form of folklorico and a guitar player. The ESL's were also involved in other activities, such as noon dances, tamale sales and candy sales. Included in these were the Homecoming events. This year's ESL princess was Estela Lucio. At Homecoming Day the ESL Class sold confetti eggs. All in all, this year's ESL Class contributed alot of pride, unity and spirit to Roosevelt High.

Alfonso Hernandez Jr. passed away due to a fatal accident suffered while riding on a bicycle February 23, 1979. He passed away four days later.

"Junior" loved and was loved by many people. He is best remembered as a cheerful, kindhearted, appreciative human being.

"Junior" graduated from Santa Isabel Elementary, attended Salesian High and later transferred to Roosevelt. One of his closest friends said "Junior lived his life to the fullest, and for that we should be proud."

Janette (Babe)

Thank you for making my life a lot more enjoyable babe, since meeting you there's been a great change for the better in my life. So please never forget or change your mind about me Babe...ever. Okay? Because I love you and I'll always love you.

To the Girls' Gymnastics Team 79'

You have made this year the most enjoyable one of my teaching career. The semester, and especially the season, has been full of surprises, excitement, success, fun, and personal rewards.

Your trust, friendship, respect, and humor will be long remembered and treasured as part of what has made this year most unforgettable.

Our togetherness has become personal, close, and in many cases private. I fully expect and hope that it will continue even beyond this school year and further into your young adult lives.

THANKS ... for letting me into your lives ... for sharing with me some of your challenges, successes and joys ... for being yourselves with me and for bringing me so much enjoyment. I feel sad that the season must end but happy that I have so many good memories to keep in my heart.

LOVE ALWAYS
AL

If we have troubles babe lets not hold them in but rather lets talk about them and this will help us to grow even stronger than we are now. Babe, I promise to do everything possible to keep us together; because I don't ever want to leave you. Once again I Love You.

Luv Ya Always

Joey

P. S. Thank you Gloria without you Janette and I wouldn't of had a chance. Hi Lisa & Yvonne.

Yearbook . . .

Front Row: Daniel Gutierrez (Staff), Debbie Sakamoto (Junior section editor and staff photographer), Eduardo Fauresvium (Sports section editor and staff photographer), Kathy Hernandez (ESL section editor), Faustino Herrera (Staff photographer), Mr. Miguel Roura (Staff advisor). Back Row: Lilian Woods (Staff Photographer), Mario Rivera (Academic section editor and staff photographer), Carmen Cervantes (Staff), Joyce Shimozawa (Staff) (Staff), Tammy Akahoshi (Clubs and Organizations editor), Dora Carreon (Sophomore section editor), Pat Alvarez (Associate Sophomore section editor, Ads and Dedications editor). Not Pictured: Sylvia Fernandez (Opening section editor), Regner Lopez (Staff), Diana Montenegro (Senior Section editor), Jaime Tovaes (Staff Photographer), Omar Carrillo (Staff), Jose Graciano (Staff artist).

The majority of this year's annual staff was new, except for some returning members: Eduardo Fauresvium, Silvia Fernandez, Regner Lopez, and Mario Rivera. The class started out working the last two weeks of summer vacation. At the beginning of the first semester, three of the students, Kathy, Silvia, and Debbie attended a seminar at Culver City High School. In May, we went to the Josten's/American Yearbook Company in Visalia on a 250 mile ride. First, we had a tour of the plant, and then we were taken out to lunch. They also had yearbook presentations during the Christmas Assembly, The Martin Luther King Assembly, and in April. Also, in Cinco de Mayo we sold pictures during lunch. Throughout the year, these students, along with their advisor Miguel Roura, took on a lot of responsibilities, working after school and on weekends. At the end of the school year, when everyone had received their yearbooks and were already signing them, we all felt very proud of our efforts in creating this year's annual.

PRIDE . . .

SPIRIT

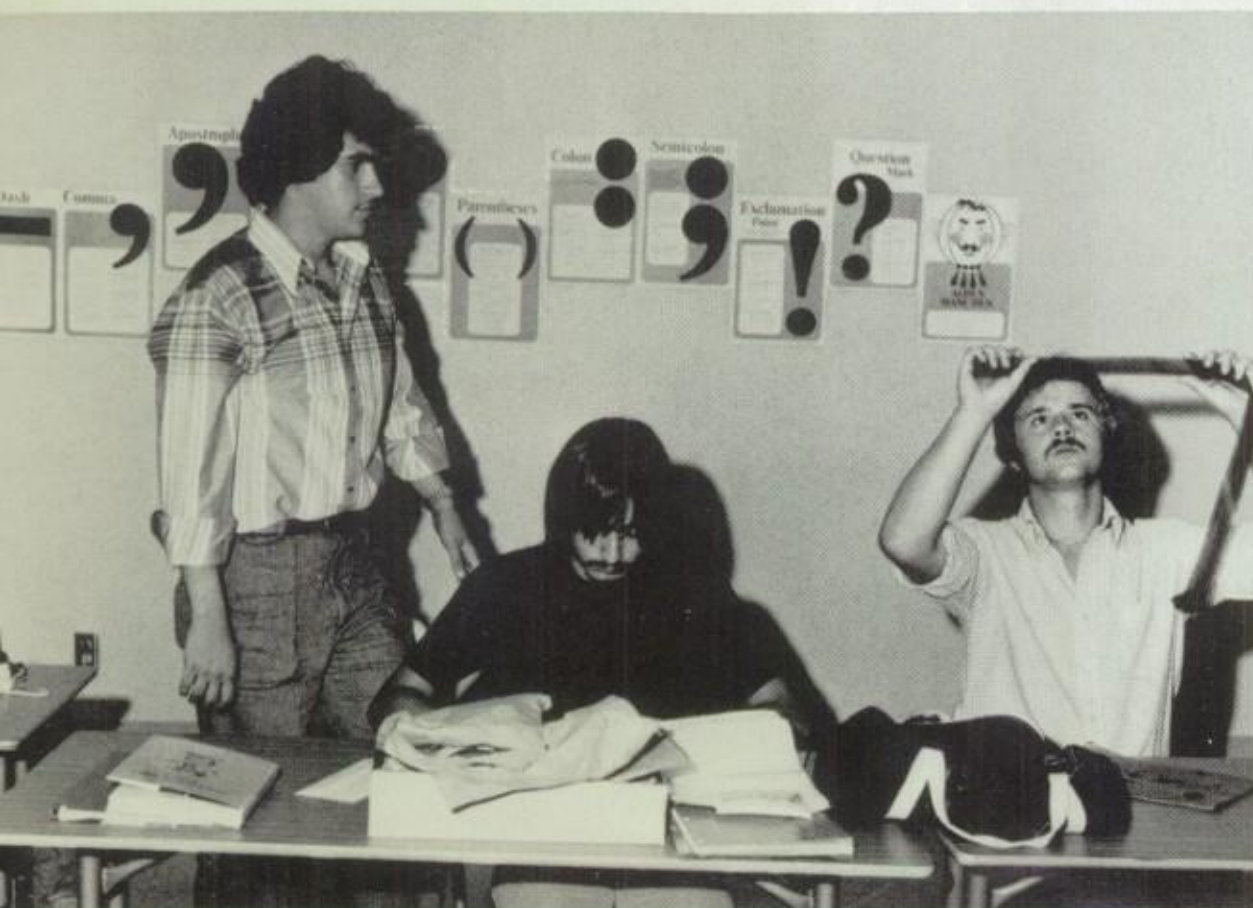

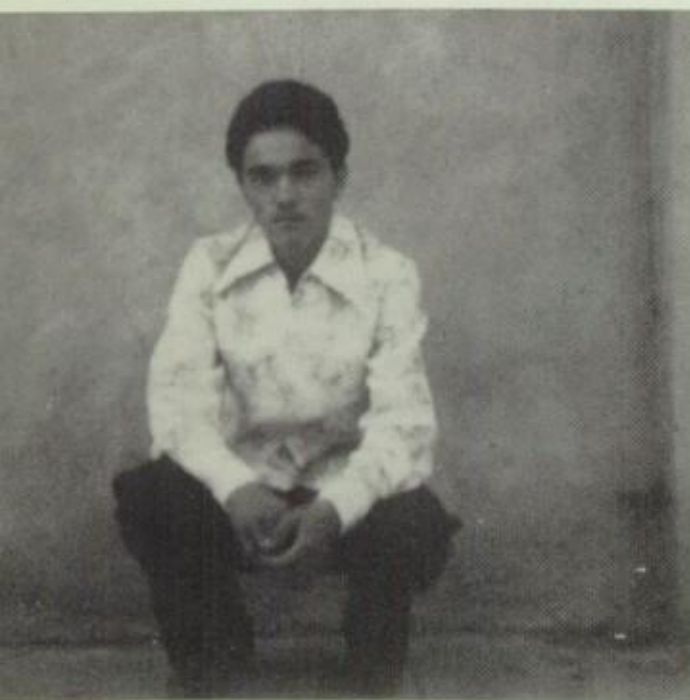

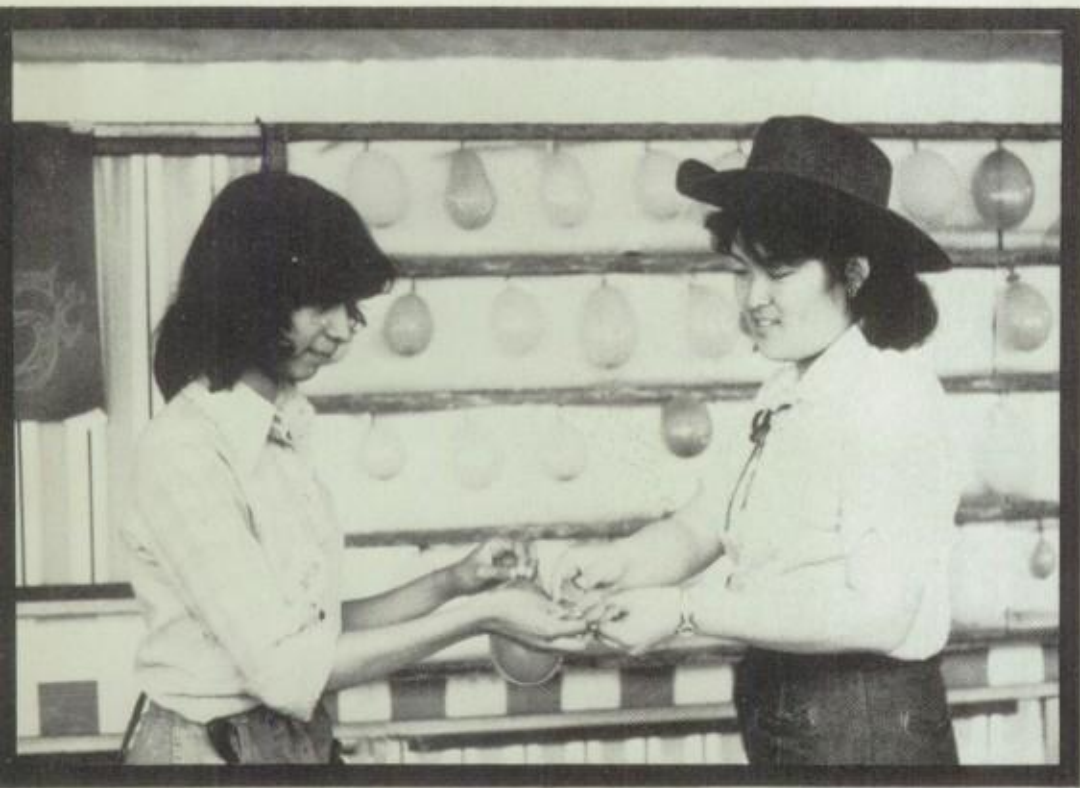

This year was filled with success and disappointment. We progressed in many areas and regressed in others, but kept our spirits high because of the pride in our school and ourselves. We are individual and unique in our colors of red and gold which shine as one and reflects our memories as the days pass. We would like to take time to wish each of our departing seniors a last farewell and best wishes.

El futuro es algo incierto, el pasado no lo tenemos, entonces solo nos queda el presente, por supuesto sumamente valioso pues es el que nos da tiempo para preparar el porvenir y una persona de provecho para si y para la sociedad. Tú tienes capacidad para entender lo que digo, pensalo
